

DOUBLE ACCESS ISA ISSUE 1: Special Conditions including Summary

This document contains important information about your account. Our Savings terms and conditions (**Savings T&C**) also apply. If there's a provision in these Special Conditions that is inconsistent with a provision in the Savings T&C, the provision in these Special Conditions applies instead.

	Annual Interest		Monthly Interest	
Gross*	AER**	Gross*	AER**	
2.50%	2.50%	2.47%	2.50%	
3 or more withdrawals				
Should you make three or more withdrawals in a year, the lower interest rate will apply from your third withdrawal up to the day before the anniversary of account opening.				
At each anniversary date, the interest rate and number of withdrawals allowed is reset.				
Interest is calculated daily and paid monthly or annually. All interest is paid gross. If you choose annual interest, it will be paid on the anniversary of your initial deposit. If you choose monthly interest, it will be paid on the day of the month you first paid into your account.				
*Gross means the rate of interest payable before the deduction of UK income tax.				
**AER stands for Annual Equivalent Rate. It shows what the interest rate would be if interest was paid and compounded (meaning that you earn interest on interest) once each year.				
Can Vida change the interest rate?	The interest rate is variable and can be increased or decreased by Vida Savings at any time. If we increase the interest rate on your account, we'll let you know as soon as possible. This can be after the new rate is effective. If we decrease the interest rate, we'll notify you at least 14 days ahead of the change. See the Savings T&C for more information.

You can replace the money you've withdrawn in this account or another Vida ISA (subject to the terms of that account) without the replacement counting towards your annual ISA subscription limit, providing you replace the funds in the same tax year you withdraw them.</p>						

Additional information	<p>If you change your mind, you can close this product within 14 days of your initial deposit. Any ISA closed in this way won't count as an ISA subscription.</p> <p>You can spread your ISA allowance across multiple ISAs in our range. This is subject to HMRC guidelines, and you must not exceed your annual ISA allowance. You can request to transfer in ISAs held with other providers at any time.</p> <p>For further details on how your Double Access ISA works, please refer to our Savings T&C or go to our website at www.vidasavings.co.uk.</p>

Special Conditions

1. **Account:** Your account is a variable rate Double Access ISA and can be held in a single name only. From the anniversary date, the interest rate and number of withdrawals allowed is reset.
2. **Account opening:** If we don't receive your initial payment within 21 days of your application request, the account will be automatically closed. You can request to transfer in ISAs held with other providers at any time.
3. **Balances:** You must maintain a balance of between £5.00 and £500,000 (not including any interest) at all times in your Double Access ISA. We'll also return excess funds if your balance exceeds the maximum permitted, except if this is because of interest added to the account.
4. **Withdrawals:** You can make an unlimited number of withdrawals from your account, subject to the minimum balance requirements detailed above, but 3 withdrawals or more will result in a lower interest rate being applied. If you change your mind, you can close this account within 14 days of your initial deposit. Please see the Additional Information section above and our Savings T&C for full details.
5. **Deposits:** The maximum you can invest is your ISA allowance for the current tax year. You can also transfer previous and current ISA subscriptions.
6. **Restrictions:** Only one account can be opened for each customer for each issue and the total balance held across your Vida accounts can't exceed the Maximum Customer Balance. Please see Savings T&C for more information.
7. **Limited issue:** This product is a strictly limited issue and we can withdraw it from sale at any time without telling you.
8. **Interest:** Interest is calculated daily and paid monthly or annually. All interest is paid gross. If you choose annual interest, it will be paid on the anniversary of your initial deposit, or the next Business Day. If you choose monthly interest, it will be paid on the day of the month you first paid into your account, or the next Business Day.
9. **Receiving interest:** Your interest can be paid into this account, to another account you hold with us (subject to the terms of that account) or to your Nominated Bank Account.
