	<b>Gross*</b> 4.61%	<b>AER**</b> 4.61%	<b>Gross*</b> 4.52%	<b>AER**</b> 4.61%
	<p>This interest rate is effective from account opening and is fixed until the Maturity Date, two years from the date we receive your initial deposit.</p> <p>Interest is calculated daily and paid monthly or annually. All interest is paid gross. If you choose annual interest, it will be paid on the anniversary of your initial deposit. If you choose monthly interest, it will be paid on the day of the month you first paid into your account.</p> <p>*Gross means the rate of interest payable before the deduction of UK income tax. **AER stands for Annual Equivalent Rate. It shows what the interest rate would be if interest was paid and compounded (meaning that you earn interest on interest) once each year.</p>			
<b>Can Vida change the interest rate?</b>	No. The interest rate is fixed for the fixed term.
